

January 25, 2025

Dear MCS organizations & alumnae associations,

As members of the Maryknoll Alumnae Association of New York, we are the closest to the motherhouse, and thus have the benefit of being able to visit the Sisters as well as facilitate alumnae's interaction with them. Along those lines, we had a very productive 2024. Attached please find our 2024 Year-in-Review documenting the various involvements we had with the motherhouse and activities our Association had hosted for members, for your information. If we can be of any help, please do reach out.

Have a Happy and Healthy 2025 & Year of the Snake!

Best regards,

Steering Committee

Maryknoll Alumnae Assn of New York (MAANY)
