The year 2016 was quite an eventful year in BC. Here below are the top stories:

Scholarships to MCS Secondary School Hong Kong – June

We continued to sponsor two students at HK\$500.00 for their special awards on Speech Day, June 24. The award went to Karry Chan and Rachel Tong (both of Form 3D) for their excellence in language skills.

WWR 2017 –July

Cruise ship – Norwegian Sun – was selected and the comprehensive registration package was launched on July 1, 2016. Deposits were made to hold 129 cabins for the WWR. This cabin hold will last until end of March 2017, when all funds will be refunded, and any unsold cabins will return to the general inventory.

United through Mission Gala – October

The fundraiser held at the United Nations headquarters in New York, NY, on October 14, benefits the Maryknoll Sisters' global mission and ministries, which continues giving hope to those in need. We contributed towards this event.

Maryknoll Sisters at Motherhouse

December 6, 2015

Sister Margaret Shepherd, who served for 41 years in Hong Kong, died at the age of 96, at Maryknoll Sisters Center, Ossining, NY.

Like previous years, we continued to send birthday gifts to the Sisters.

Alumnae activities were minimal this fiscal year due to the WWR preparations. It is hoped that more activities will be planned after the WWR next September.
